

# BitCanna Guide - Royal Queen Seeds

Version 2.0 – June 2022

## Introduction – What's new?

If you've used BCNA before at Royal Queen Seeds and haven't swapped your coins yet, make sure to do so: you can find the swap guide [here](#).

To pay with BitCanna at Royal Queen Seeds using this guide, you will need the following:

- **The Keplr Browser Extension** in order to access the **BitCanna web wallet**. The installation guide can be found [here](#).
- **BitCanna (BCNA) coins** on your BitCanna web wallet. If you already own cryptocurrency, you can acquire BitCanna on Osmosis or Coindael. If you don't own any cryptocurrency yet, we recommend buying them at Coinmerce: A Dutch DNB-licensed broker. The guide to acquire BCNA on Coinmerce can be found [here](#).

## Pay for your order at Royal Queen Seeds

- **Step 1:** Choose BitCanna as your payment method on [www.royalqueenseeds.com](http://www.royalqueenseeds.com)
- **Step 2:** Check the summary of your order, confirm the terms and conditions and click the confirm button to continue. A new screen will pop up with the amount of BCNA that is required to complete your order. Make sure you have enough BCNA coins to complete the payment. (This amount can fluctuate due to price volatility)

- **Step 3:**

**Option 1:** Click the "Pay with Keplr" button. A pop-up will appear. Click the "Approve" button, and a new pop-up will appear. The exact BCNA amount and destination address for your payment are already pre-filled, so all you have to do is hit the "Approve" button again. This means that you do not need to fill out the address or amount yourself!

Your payment will be processed within a minute.

**Option 2:** Alternatively, you can send the exact amount of BCNA to the BitCanna address displayed on your screen. To manually send the BCNA, you can use the BitCanna web wallet or the Keplr Extension. Make sure to send the exact amount!

*If you fail to send the exact amount, your transaction will not be processed. You'll have an hour to complete the payment. Please don't send any funds from Coindael, Coinmerce or other exchanges directly: Due to the possibly longer processing times,*

*the funds would not arrive on time and your order will not complete. Please send the funds from your personal wallet.*

- **Step 4:** After sending the BCNA to Royal Queen Seeds's address, your payment will be processed within a minute. Please be patient! If you are unable to send the coins in 1 hour, you can simply cancel your order and start a new one to reset the timer.
